

# Lions National Honours Advisory Body

## POSITION STATEMENT

The MD201 Council of Governors has established a National Honours Advisory Body of Lions.

### Goal

To assist clubs to promote deserving individuals to be considered for an Australian Honour.

### Role

- To establish a Strategic Plan for approval by the MD201 Council to achieve the stated goal of the Advisory Body.
- To develop and maintain operating guidelines to implement the Strategic Plan.
- To promote the order of Australia Awards System throughout the Multiple District as an appropriate way to obtain community recognition of outstanding service.
- To make recommendations to the MD201 Council consistent with the approved Strategic Plan, at times consistent with the awards system procedures.
- To develop and distribute to Lions Clubs, on request, a guide to the preparation of nominations.
- To review, and as requested, assist in the preparation of submissions for individuals supported by the MD201 Council.
- To encourage Lions Clubs and Districts to use the Advisory Body to nominate individuals for awards.

### Limitations

The Advisory Body will not:

- Initiate nominations
- Reject nominations (all nominations received are to be considered and prioritised) or
- Seek to influence clubs to separately nominate individuals for Australian Honours.
