

# MD 201 Committees

There are five Coordinating Committees which are Administration, Membership Services, Youth and Community Projects, Marketing and Leadership. The Coordinating Committees have the power, subject to approval by Council, to form Sub-Committees.

A Management Group comprising the Council Chairman, Executive Officer and the four National Coordinators of the Membership Services, Youth and Community Projects, Marketing and Leadership Committees review reports prior to the relevant Council Meeting to ensure that all information required for Council is available and in a form which will enable Council to take decisions and develop policy. The Management Group is supported by the Council Treasurer and the Legal Officer.

The Executive Officer is the Chairman of the Administration Coordinating Committee. The Committee National Coordinators listed below are there to help you as well as to manage the affairs of the Multiple District. **Members who require more information on committees can either consult their directory or contact the relevant coordinator.**
