

To All Club Presidents,

It has been drawn to our attention that, once again this year, “TFM Marketing” Pty Ltd. is in the process of contacting Clubs, by email, offering Clubs the opportunity of purchasing Cakes and Plum Puddings from their Company.

It is important to note that although “TFM Marketing” is an authorised supplier, it is not the supplier of Cakes and Puddings to the official Multiple District Cake Program endorsed by the Lions of MD201, who continue to vote for the continuation of the program at our annual conventions.

“Top Taste” the baking division of George Westons Foods manufacture the “Traditional Lions Christmas Cakes” and “Puddings” that are supplied through the MD 201 program.

Clubs are encouraged to support the MD program as it provides a substantial fundraising return to the Club. “Top Taste” also pays a rebate, based on the number of cartons sold, to the Multiple District, a portion of which is distributed to the individual Districts.

For more information on the Multiple District Cake program:

- View the webpage <http://lionsclubs.org.au/activities/products/cakes/> or if you have any questions please contact
- Your District Chairman. (Refer MD Directory for details)
- Your State Coordinator. (Refer MD Directory for details) or
- The Multiple District Chairperson. ((Refer MD Directory for details)

Regards
