

FAQ – Concerned you may be the victim of a scam?

From time to time Lions may receive unsolicited emails, phone calls or mail from unknown sources.

"SCAMwatch" is a website run by the Australian Competition and Consumer Commission (ACCC) that provides information to consumers and small businesses about how to recognise, avoid and report scams.

If you are concerned that you may be the victim of a scam please visit the SCAMwatch website <http://www.scamwatch.gov.au/content/index.html/tag/scamAboutUs> and follow the links.

Please note, there are many variations of scam e-mail and it is impossible to list them all, but the guiding principles may be:

1. Someone is giving you money. If it seems too good to be true, it probably is.
2. A Lion needs help for a medical condition. In almost all circumstances, if someone needs help they will contact you by telephone or other means. (It is far easier to ring someone when in difficult circumstances, than to send an e-mail)
3. A Lions Club is seeking support. – Check their contact details in the International Directory and contact the club through official channels to confirm.

Note: Please do not reply to scam e-mail, even to complain or identify the source. Replying to the e-mail confirms to the sender that your e-mail is valid and current and can lead to higher volumes of additional unsolicited e-mail.
