

FAQ – Directory Format Changes

This year, Council has resolved to make some changes to the order of information in the directory. The reason for this change is that it was felt the directory information ought to be promoted to the front of the directory. That, of course, is its purpose.

No information has been lost or removed; it has simply been re-organised.

The new layout is arranged as follows:

1. Section 1 – The usual organisational information including Council and its officers, Multiple District Committees, Foundations etc.
2. Section 2 – The Directory of Clubs and Districts.
3. Section 3 – Supporting information including Awards and Fellowships, list of Past District Governors.
4. Section 4 – Summary of Insurances.
5. Section 5 – Constitution and By-laws.

So the information is all there, just in a different place.

Remember, Club insurances are important so simply turn to the back of the directory to see what is on offer.

Please alert club members to the changes.
