

## District 201V6 Lions Junior Public Speaking

“The World is waiting for  
YOUR words”

### What is the aim of this program?

To give students in Primary Schools the chance to develop their ability to speak in public. This competition is run for primary students in Grades 3, 4, 5 & 6.

### How does this program work?

#### Prepared Speeches

Students are given a topic (chosen by Lions) and are asked to prepare a speech. Years 3-4 are asked to prepare a 3 minute speech and Year 5-6 are asked to prepare a 4 minute speech.

#### Short Preparation Speech

As part of the Club, Regional & District level competitions – students in year 5-6 are also given a Short Preparation Speech. They are given a topic and 10 minutes to prepare a 1 minute response to this topic. This has been included at Club, Zone/Regional & District levels, as an added challenge for students who have already shown that they are skilful at preparing and delivering a prepared speech.

### Why should your club and schools be involved?

- Similar programs often do not exist for Primary students or are difficult to access. This is the case for most isolated schools.
- Young students have an abundance of enthusiasm and self-confidence. This program aims to build on this base before they reach teenage years.
- All young students need to build such skills in an environment which encourages them to participate.
- And it's a great way for school to get involved with their local Lions Club and for Lions Clubs to be involved in the local

## About this program

This program has been running successfully for 10 years in the 201V6 District. Each year, more and more schools are becoming involved. Students really enjoy the program and reap the benefits for years to come.

A current year 12 student, who had participated in the program from years 3 to 6, stated in a speech recently, that she credits her public speaking ability to the opportunity she had to participate in the Junior Public Speaking in primary school, and how much confidence it gave her to speak in front of a group of people.

## There are 4 levels to the competition

**School Level Competition** – held at each participating school in your Lions area. Run by your club chairperson in conjunction with the school. You will need 2 or 3 judges from your community, with one being a Lions Club member.

**Club Level Competition** – held at your Club, as part of a dinner meeting or as a separate event. Students representing their individual schools will compete to become your Club Representative.

**Zone/Regional Competition** – representatives chosen at Club

level will compete within their Zone/Region.

**District Competition** – winners from the Zone/Regional competition will compete at District Level, at a central location.

## Rules of the Competition...

As with any competition, there are some rules to follow, so that everyone has the same opportunity.

**Presentation of Speeches** - Students should present their speeches from the floor or stage without the use of:

- **NO** props, photo's or slideshows during their speech
- **NO** lectern - this allows for judges to see the student clearly - we encourage students to use palm cards instead of large sheets of paper.
