Notices of Motion to Perth 2022 Convention

Clubs and Districts wishing to submit a Project Notice of Motion or a Fundraising Activity Motion to the Perth 2022 Multiple District Convention should note that such motions must be received by the Executive Officer prior to the 1st day of 2022. Any other motion, other than a late notice of motion, must be received no later than Monday 7 March 2022. Project or Fundraising notice of motions must have been duly passed at a District Convention or the motion seeking its adoption submitted by the Council.

Full provisions regarding these motions can be found in the Multiple District Constitution and By-laws, CL94 to CL108.2.

Caution should be exercised in relation to Project Notices of Motion in particular, to ensure they are correctly framed to be considered at Convention.

Bids for the MD201 Convention - 2025

Hosting a Multiple District Convention in your town, though challenging, provides considerable benefits.

Host committees serve their community by highlighting their home town, demonstrating the quality and competence of their members and providing an important economic benefit. Estimates by tourist associations place the economic benefit of hosting a Convention at \$2-4 million.

If your club or district wishes to host the 2025 Multiple District Convention, please contact the Executive Officer in the first instance by e-mail to info@lions.org.au . Bids close 31 December 2021.
