Bids for the MD201 Convention - 2026

Hosting a Multiple District Convention in your town, though challenging, provides considerable benefits.

Host committees serve their community by highlighting their home town, demonstrating the quality and competence of their members and providing an important economic benefit. Estimates by tourist associations place the economic benefit of hosting a Convention at \$2-4 million.

If your club or district wishes to host the 2026 Multiple District Convention, please contact the Executive Officer in the first instance by e-mail to info@lions.org.au . Bids close 31 December 2022.

Do you have a passion for Lions?

Do you believe that the way to growth and success for Lions in Australia is through the creation of new, diverse and innovative Lions Clubs?

Are you the sort of person that can bring a team together, share success and build harmony?

Is Lions fun for you and do you want to share it with others?

Delegates voting before the Lions Mini-Convention in Melbourne, endorsed the proposal for a Club Building Service Initiative.

We are looking for a group of Lions that are prepared to build a new wave of Lions Clubs throughout Australia to support our communities for the next 75 years. This group knows that every Lions Club needs to find its own way within our ethical framework, with like-minded members and a passion for our humanitarian cause.
