There are five Coordinating Committees which are Administration, Membership, Leadership, Service, Youth & Community Projects and Fundraising & Partnerships. The Coordinating Committees have the power, subject to approval by Council, to form Sub-Committees.

A Management Group comprising the Council Chairperson, Executive Officer and the four National Coordinators of the Membership, Leadership, Service, Youth & Community Projects and Fundraising & Partnerships. Committees review reports prior to the relevant Council Meeting to ensure that all information required for Council is available and in a form which will enable Council to take decisions and develop policy. The Management Group is supported by the Council Treasurer and the Legal Officer.

The Executive Officer is the Chairperson of the Administration Coordinating Committee. The Committee National Coordinators listed below are there to help you as well as to manage the affairs of the Multiple District. Members who require more information on committees can either consult their directory or contact the relevant coordinator.
