

Making a bequest to support Lions Australia, its services and causes

Many Australians, their friends and families have been helped by their local Lions Club or Foundation when times were tough. Lions members too, may wish to acknowledge the wonderful, lifetime experience of fun and friendship that membership offers.

Lions has a number of Foundations and projects that you may wish to support through your estate. It may be also that you wish to simply support the national organisation to continue to recruit, train and support new volunteers to continue our philanthropic work.

Please contact the Executive Officer of Lions at info@lions.org.au or +61 2 4940 8033 for confidential advice on where you can direct your support.

Otherwise, the following general terms can be used to direct your estate.

"I bequeath the amount of \$x to Multiple District 201 of Lions Clubs International Inc. for the general purposes of the said organisation and receipt of the Treasurer or appropriate officer shall be a full and complete discharge to my Trustees who shall not be obligated to enquire into the application of the monies so paid."
