Multiple District Advisory Group

The Multiple District has been supported for many years by the voluntary “Multiple District Management Group” that includes the Executive Officers and National Coordinators. This team supports the National Council in its role to govern the Multiple District. The group has now been renamed the “Multiple District Advisory Group” to better reflect its role.

New Team Members

Past District Governor Kathy McCosker has taken over the role of MD201 Membership National Coordinator from PDG Ann Eldridge who has successfully completed her term. Kathy, from Rockhampton, Queensland, served as District Governor in 2021/22 and was a member of the National Membership Committee prior to taking on this new role.

Past District Governor Savva Argyrou has been appointed as MD201 Service Team National Coordinator after PDG John Muller's successful completion of his term. Savva, from Brisbane, Queensland, served as District Governor in 2023/24 and brings his recent experience and his theme as governor of service to communities, to this role. Welcome to our new members of the Multiple District Advisory Group!

Congratulations to PDG Lee-Ann Anselmo who has stepped into the role of Cabinet Secretaries Coordinator.

Notices of Motion to Traralgon Convention

Clubs and Districts wishing to submit a Project Notice of Motion or a Fundraising Activity Motion to the Traralgon 2025 Multiple District Convention should note that such motions must have been received by the Executive Officer prior to the 1st day of 2025. Any other motion, other than a late notice of motion, must be received no later than Monday 3 March 2025. Project or Fundraising notice of motions must have been duly passed at a District Convention or the motion seeking its adoption submitted by the Council.

Full provisions regarding these motions can be found in the Multiple District Constitution and By-laws, CL61 to CL75.2.

Caution should be exercised in relation to Notices of Motion to ensure they are correctly framed to be considered at Convention.

Bids for the MD201 Convention - 2028

Hosting a Multiple District Convention in your town, though challenging, provides considerable benefits.

Host committees serve their community by highlighting their hometown, demonstrating the quality and competence of their members, and providing an important economic benefit. Estimates by tourist associations place the economic benefit of hosting a Convention at \$2-4 million.

If your club or district wishes to host the 2028 Multiple District Convention, please contact the Executive Officer in the first instance by e-mail to info@lions.org.au . Bids close 31 December 2024.
