75 years and counting **Committees**

There are five Coordinating Committees which are Administration, Membership, Leadership, Service and Youth & Community Projects. The Coordinating Committees have the power, subject to approval by Council, to form Sub-Committees.

A Multiple District Lions Advisory Group comprising the Council Chairperson, Executive Officer and the four National Coordinators of the Membership, Leadership, Service and Youth & Community Projects Committees, review reports prior to the relevant Council Meeting to ensure that all information required for Council is available and in a form which will enable Council to take decisions and develop policy. The MD Lions Advisory Group is supported by the Council Treasurer and the Legal Officer.

The Executive Officer is the Chairperson of the Administration Coordinating Committee. The Committee National Coordinators listed below are there to help you as well as to manage the affairs of the Multiple District. Members who require more information on committees can either consult their directory or contact the relevant coordinator.
