Dear Club President,

I hope this letter finds you well. My name is Geoff Freudenstein, and I am writing to you as Chair of Lions Green Canopy Project. I am reaching out to seek the support of your club for an exciting project that I believe aligns with the values and mission of Lions.

The project, titled Lions Green Canopy, aims to plant 1 (one) million trees by June 2027. This initiative is particularly important because a tree provides the following:

- A habitat for local animals and insects
- It prevents soil erosion
- It feels great to be under a tree as it enhances mental health
- Trees conserve water: prevent runoff and help with ground water recharge
- They save energy, by acting as windbreaks and providing shade.

Included in this letter is a how to report your support for the Lions Green Canopy. It is as easy as planting a tree. Alternatively, make partnerships with your local LGA (Local Government Authority), farmer or landowner who is planting trees. Your club could help to plant them or supply a tree for planting.

I am confident that with the backing of your Lions Club we can achieve even greater success. Your involvement would not only help us reach our goals but also demonstrate the club's commitment to the Environment, one of the pillars of Lionism. Thank you for considering this request. I look forward to the possibility of working together and making a meaningful difference in our community.

Warm Regards, yours in Lions,

Geoff Freudenstein
Chair
Lions Green Canopy Committee
